Having been engaged in growing Fine Peonies, for pleasure, for about ten years, I have a large surplus of Roots of the Finest Varieties on hand.

To dispose of these I am offering them at the extremely Low Prices quoted in this circular letter.

These Roots will be from two to three years of age, free from disease, and have a good root system, with three to five eyes. Send "Cash" and I will prepay the delivery charges.

You will note the prices of such exceptionally fine varieties as Walter Faxton, Mon. Jules Elie, Primivere and Mrs. Edward Harding are unusually low.
